We will all do our best to serve the interests of the students. As the adults: **YOU SEE SOMETHING SAY SOMETHING.** Let's keep everyone safe.

Patience: We have over **70** exhibitors ready to share their time, energy and expertise with your students! The number of students expected each day is **700** plus; so we ask that you continue to lead by example in way of exercising patience and understanding.

Input: Post event input will be asked for from both chaperones and students.
