

Hello NH Media Contacts...

***LOOKING FOR A GREAT POSITIVE STORY
TO COVER IN SEPTEMBER!***

Mark your calendars for the 2016

NH Construction Career Days Event.

Please join us to see what the buzz is all about!

**Promoting The Construction Industry
To New Hampshire's Youth**

www.nhccd.weebly.com

Who: NH Construction Career Days, NH High School Students and NH Businesses

What: Hands-On Career Day

When: Thursday and Friday September 22 and 23 (8:30 – 12:30)

Where: Hillsborough County Youth Foundation Center (15 Hilldale Lane, New Boston NH)

How: All with volunteer, municipal and private efforts and PRIVATE financial support.

Why: *To make a difference in our future construction and transportation workforce and industries.*

Over 50 schools and 1,600 high school students from across the Granite State are registered to attend the 2016 **[New Hampshire Construction Career Days](#)** event. This ***hands-on, career exploring event*** will have 70 exhibitors on deck to share their experiences in construction and transportation related fields with students. The event focuses on increasing awareness of careers in heavy equipment, welding, plumbing, carpentry, electrical wiring, surveying and engineering, land clearing, underground utilities, and other construction related jobs. Several secondary educational resources, apprenticeship programs and career training pathways are available for students to learn about to help them on their path after high school.

Since its inaugural event in 2009, this event that has been making a difference in the future of New Hampshire's workforce. We invite you to come and see for yourself...talk with the exhibitors (over 80% from the Granite State), talk with the volunteers, and best of all talk with the students!

Find out more by visiting the web site initially; find out directly by **[RSVPing](#)** to us and letting us know you'll be there in attendance (for security reasons, all persons must be registered). We hope to see you there this year!
