This informative takeaway contains descriptions of construction trades and will serve as a handy reference for the students, their friends and parents after the event. See the sample page below.*

*For each trade there is **room for only 5 company logos** and we invite you to have yours displayed for only \$50. We are at capacity on student registrations (1200) so your company's exposure is very good for the money. A list of the trades included is to the right. Sign up to be in the 1<sup>st</sup> ever NHCCD Booklet by emailing [mtheriault@goffstownnh.gov](mailto:mtheriault@goffstownnh.gov) today.*
